

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand provides solutions, services and products so as to ensure efficiency and increase the productivity within commercial, residential and industrial environments. They pride themselves in delivering products to enhance the safety, comfort, security and health of individuals around the globe through their four worldwide segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman makes refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building advanced controls, services and parts support used for both residential homes and commercial buildings.

The Industrial Technologies sector of Ingersoll Rand offers products and solutions to be able to improve operations, energy efficiency and productivity for their clients. The range of products in their line consist of: tools and pumps, and material fluid handling systems to complete compressed air systems. They have also developed Club Car, the worldwide leader in golf and utility vehicles intended for individuals and companies.

Well-known brand names like Schlage and Trane compromise the Residential Solutions business, delivering efficiency, comfort and safety to home owners all around North America. Some of their innovative quality products comprise electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

The division comprising Security Technologies provides products which ensure secure, safe and productive surroundings. This division's market leading products consist of floor and door closers, portable security devices, exit devices, electronic and biometric cabinet hardware, access control systems, steel locks, doors and frames, decorative hardware and locksets. Schlage even has products which provide time, attendance and personal scheduling systems.
